Mr. John N. McMahon
Deputy Director
Central Intelligence

Dear John:

Just a note to tell you how much I have enjoyed working with you during the past two years. You've been a breath of fresh air over there and I hope you'll remain for a long time so what you're trying to do will take firm hold.

If there is anything I can do for you or Bill, please let me know. I'll be a DoD consultant, so that will make it easier. Let's stay in touch.

Sincerely,

L273

Honorable William J. Casey
Director of Central Intelligence
Washington, D.C. 20505

Dear Bill:

I want to tell you how much I have appreciated your support and assistance during the past four years. You've really done one hell of a job as the Director, under conditions which were, at times, almost impossible.

I have dropped notes to John McMahon, [redacted] and Ev Hineman, thanking them for their support, and I want you to know that these are some fine people. Cooperation between the DoD and the Agency are at an all time high because of their efforts.

If I can continue to support you and the Agency in the future, please just ask.

Sincerely,

L273
